Things to know:

- Please give the reference forms to two leaders, who know you well. Have them fill them out and return them to us directly (you should provide stamped envelopes for them). Church, school or youth group leaders would be ideal for students. Pastors, deacons and elders would be ideal for adults.
- We are required to obtain basic medical information about each of our staff. The staff medical form must be completed and returned to the camp office.
- If you are going to serve at camp as a lifeguard or assistant lifeguard, we need to have a copy of your qualifications on file. Therefore, please include a copy of your lifeguard qualifications with your application.
- Harassment: The camp's policy is to prohibit all forms of harassment by our employees. This includes sexual, racial, religious and other forms of harassment. Have you ever been accused of harassment of any person including, but not limited to, workplace harassment? (Note: a prior accusation or conviction is not an automatic bar to employment. The type of conviction or accusation when it occurred will be evaluated by the camp before any decision is made.)

No

Yes

Explain:

- Criminal Record: have you ever been convicted of a crime, other than a minor traffic offence? If yes, please describe. (Note: a prior conviction is not an automatic bar to employment. The type of conviction and when it occurred will be evaluated by the camp before any decision is made.)

No

Yes

Explain:

All staff 18 and over must have a "Negative Record Search" from your local police. We strongly suggest that you go to the local "Sureté de Québec" for this, as they do it for free and are most cooperative. The MUC and the RCMP will do it, but for a fee. You are responsible for attaining this record.

Frontier Lodge is a Christian Youth Camp. Our mission is to communicate the loving grace and salvation of Jesus Christ to children, youth and adults, to help them experience that grace for themselves and to help those that have experienced it grow in their faith. Our goals are to help those who come to camp either as campers or staff to grow in their spirit, their mind and their body. These goals and our mission are reflected in everything we do from activities and programs to cabin life and relationships. We believe our staff should reflect these things in their daily lives, this includes how they interact with their campers and one another, what they say, what they do and even what they wear. What an awesome responsibility and a challenging way of life for the few weeks that you will be at camp. However if you are willing to pick up that challenge, be prepared to grow, to develop and to learn about yourself, others and Jesus Christ.

Frontier Lodge has its roots in the Brethren Assemblies but is a non-denominational camp with Christian believers from many different churches and different backgrounds. WE believe that in the essential beliefs of the Christian faith there should be unity, in the non-essentials, liberty and in all things, charity.

The Essentials:

- We believe in God the Father, God the Son and God the Holy Spirit.
- We believe in Jesus Christ, wholly God and wholly man, who was born, crucified, dead and buried. He rose from the dead and ascended into heaven. We believe that he was sinless but suffered and died for our sins so that we might gain eternal life.
- We believe in the Holy Spirit, indwelling all believers.
- We believe in the church, the body of Christ, made up of all true believers.
- We believe that the Bible is God's inspired word and our final authority and guide in faith and practice.

I am in agreement with the points outlined above:
